at electrical signs. They would look at yours if you had one. They are an advertisement that nobody skips. Why not arrange with us to supply both the sign and the light. The cost is not large, the expense of maintaining is reasonable. Once you have an electrical sign you wouldn't part with it for twice the cost.

Boy Originated Safety Pin.
"The originator of the safety-pin," said an historian of inventions, "was a little boy, an English blacksmith's son."
The little boy—Harrison by name—had to look after his baby brother. The baby often cried, and its tears were usually to be traced to pin punctures. The boy nurse tried a long time to bend pins into such a form that they could be used with safety to his brother's flesh.
"In this he failed; but his father, the blacksmith, perceived the utility of the idea the lad had been at work on, took it up on his own account, and eventually turned out the safety-pin that is in use to-day all over the world."

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100.

"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrer of Cat Island, La. "For several weeks I was unable to do anything. On March 15, 1907 I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by W. T. Brooks. You need no other guarantee. July

Poisoned by Tiger Whiskers.

In the recollections of a well-known big game hunter in India it is stated that after skinning a tiger it is always necessary to guard its whiskers, as the natives have an unpleasant habit of cutting them up very small and mixing them with the curry of those they dislike. The finely divided bristles set up an irritant poison, the results of which often prove serious.

It Reached the Spot.

Mr. E. Humphrey, who owns a large general store at Omega, O., and is president of the Adams County Telephone Co., as well as of the Home Telephone Co., of Pike county, O., says of Dr. King's New Discovery: "It saved my life once. At least I think it did. It seemed to reach the spot—the very seat of my cough—when everything else failed." Dr. King's New Discovery not only reaches the cough spot; it heals the sore spots and the weak spots in throat, lungs and chest. Sold under guarantee at Oberdorfer's drug store, 50 cents and \$1.00. Trial bottle free. July

Intelligence of Flowers.

Maurice Maeterlinck has discoursed at length on the intelligence of the flowers and argues for but one all-pervading mind, one intelligence and reservoir of consciousness in nature whereunto the individual plant and man have access according to his capacity.

INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way. Two sizes, 25c and 75c. All druggists.

Physical Geography.

The following answer was recently given in a geography examination, in reply to the question: "From what direction do most of our rains come?" "Most of our rains come straight down, but some of them come sideways."—Youth's Companion.

Boy's Life Saved.

My little boy, four year old, had a severe attack of dysentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea remedy which cured him and he is now as healthy as ever. —William H. Strling, Carbon Hill, Ala. There is no doubt but this remedy saves the lives of many children each year. Give it with castor oil according to the plain printed directions and a cure is certain. For sale by W. T. Brooks. You need no other guarantee. July

The Worst Load.

The worst load a man can carry is that of habits begotten of evil passions—that growing pile of sensuous deeds, which, in their accumulation, sohere finally into a mass, devil possessed, which sits between his shoulders, overwhelming all else in kind, and driving him ruthlessly, fatefully on the road downward.—Christian World.

A Californian's Luck.

"The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Charles F. Budhan, of Tracy, California. "Two 25-cent boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee at Oberdorfer's drug store. July
